AIRFARE INFORMATION

One of the biggest misconceptions of travel is that booking group flights will automatically result in lower fares. **This is false.** Because not all seats on a plane are priced the same (as evidenced by fluctuating rates based on when you purchase), airlines find an average of all available fare classes, then add a group discount, and then provide you a price that is most often **higher** than what you could purchase individually.

Group airfare is quoted at \$1,590 per person. Travelers are advised to select the airfare option that best works for them upon enrollment.

GO IT ALONE <i>Purchase your own flight on an airline of your choice</i>	STICK WITH THE GROUP <i>Fly with the PCC group reservation (✈)</i>
<u>Benefits</u> • Ability to select most cost efficient flight • Ability to fly on your choice of airline • Ability to use miles or other credits to purchase <u>Cons</u> • If air travel is disrupted, you will have to make alternative arrangements with your chosen airline on your own without PCC's assistance • If your arrival/departure do not coincide with PCC's group arrival/departure, travel to and from the airport in Rome is your own responsibility at an additional cost • If a singer wishes to register with this option, they <u>must travel with an adult</u>	<u>Benefits</u> • Take the long flight alongside your friends • If air travel is disrupted, the group will stick together and PCC/Perform International will manage the arrangements • Motor coach transport to and from the airport is included in Rome (not USA) <u>Cons</u> • Can be more expensive than booking on one's own • You cannot use miles or airline credits to lower the cost

PAYMENT SCHEDULE

Payments will be handled directly through the Pensacola Children's Chorus. Group airfare is conservatively quoted at \$1,900 and expected to decrease. Trip pricing will reduce if cheaper airfare is secured, and any payments made toward airfare packages will be reissued as a credit and/or refund, based on total amount due at the time credits are issued.

Any increases or decreases in airfare will be immediately reflected on the payment schedule once they are received. Any non-airfare related pricing fluctuations will be reflected in the final payment (balance). This may result in a price increase or decrease which will not be known until March 15, 2027, or earlier. **Participants are financially responsible for the final cost of the trip.** PCC and Perform International do not assume financial responsibility for pricing fluctuations outside of our control.

PAYMENT TERMS & PROCEDURES

Payments will be paid directly to Pensacola Children's Chorus who will in turn submit payments to Perform International. Because PCC acts as a clearinghouse for tour payments, PCC will not be liable for standard processing fees that it would otherwise cover under standard financial procedures. Full terms are outlined below.

AUTOMATED PAYMENTS

Trip participants may enroll in automatic payments through PCC's payment processor. ACH bank drafts and credit cards may be utilized. ACH drafts will incur a fee of 1.49% per transaction. Credit cards will incur a fee of 3.59% per transaction. Failed drafts due to inadequate banking information or expired credit cards will incur a returned payment fee of \$30 per transaction and will be automatically switched to click-to-pay invoicing until correct information is submitted to the PCC office.

CLICK-TO-PAY INVOICING

Electronic invoices with multiple click-to-pay options can be sent up to 7 days before the scheduled due date. These invoices will have a standard fee of 3.59% assessed per invoice. PCC utilizes tracking software to ensure the timely delivery and receipt of electronic invoices. PCC is not responsible for accrued late fees resulting in an unread or accidentally misfiled/filtered electronic invoice.

FEE-FREE PAYMENTS

Cash and personal checks may be used to pay tour invoices. Electronic invoices that are not set for click-to-pay will be sent up to 7 days before the scheduled due date. PCC is not responsible for accrued late fees resulting in an unread or accidentally misfiled/filtered electronic invoice.

BUY-NOW-PAY-LATER

New for 2026, PCC's payment processor offers a buy-now-pay-later feature through Affirm. Invoices sent with Affirm payments will be assessed a standard fee of 3.59%. Repayment terms are handled individually with representatives of Affirm. Affirm is only available to those select the "Pay-in-Full + Balance" option.

INTEREST FEES

Invoices with an open balance will be assessed a 10% interest fee after 30 days past the initial due date. This fee is reassessed after every 30 days the invoice is unpaid. Because the payment schedule has been clearly posted and communicated, these fees will generally not be waived.

DELINQUENCY

Accounts that have an overdue balance of greater than 25% of the total amount due-to-date per traveler on or before December 15, 2026, will be automatically dropped from the trip without a refund. Additionally, traveler who has completed registration paperwork for the trip but has not remitted the deposit on or before October 31, 2026, will be automatically dropped from the trip, and any funds already remitted will not be refunded.

CHAPERONES & NON-PERFORMERS

Parents, guardians, and family members are invited to join our PCC singers on this trip. If you are interested in this opportunity, please review the following information regarding **CHAPERONES** as well as the additional information regarding those who wish to join the trip without chaperoning responsibilities.

CHAPERONE

Chaperones are essential components of every tour. As an extension of staff leadership, chaperones ensure that PCC's standards of conduct are observed and demonstrated by singers at all times. Because chaperones play a crucial role in creating a positive and memorable tour experience, they are carefully vetted and may only enroll in the trip after receiving an invitation.

To be a chaperone, a separate application is required, and the following eligibility criteria must be met:

- Parent/guardian of singer enrolled on trip OR another family member who is 25+
- Prior volunteer experience with PCC (attending prior tour, tech week volunteering, etc.)
- Ability to pass a Level 2 FBI/BCI background check
- Has a demeanor aligned with PCC's values
- Track record of abiding by PCC's code of conduct
- Demonstrated ability to prioritize the needs of multiple children, not just one's own

Prior participation on a tour as a chaperone does not guarantee selection for this trip, as the number of chaperones correlates to the number of singers enrolled in the trip.

NON-PERFORMERS

Those who wish to enroll on this trip without chaperoning responsibilities may sign up as a **TAGALONG**. These individuals will enjoy group activities provided in the itinerary and are welcome to curate their own experiences during designated times (namely rehearsals).

On international trips, the travel group mostly stays together as a singular unit, with a few opportunities for small group exploration. Therefore, it is generally expected that tagalongs stick to the tour itinerary. Tagalongs must agree not to interfere with trip activities, especially removing a singer from the itinerary, without first consulting a PCC staff member.

GROUPIES

For those who want to plan their own Italian adventure, PCC will happily share hotel, flight, and concert information as soon as it is available. Groupies may not remove a child from the tour itinerary for any reason, nor can they be added (neither in advance or last minute) to any group meals or private experiences.

EXTENDING YOUR STAY

A participating singer, chaperone, or tagalong may elect to extend their stay. Singers who are to arrive to Italy prior to June 11, 2027, or stay past June 17, 2027, must be accompanied by a parent/guardian or another trusted adult provided to PCC in advance in writing. Those who wish to extend their stay may not travel on PCC's group airfare reservation and must make their own arrangements. PCC assumes responsibility of all registered trip participants from the first moment they join the tour itinerary through the first moment they depart. PCC requires anyone extending their stay to communicate their plans in writing in advance of the trip.

CHAPERONES & NON-PERFORMERS (continued)

Different policies apply to international travel. Please consult the following table as you contemplate enrolling:

	Chaperones	Tagalongs	Groupies

(*) European hotels are generally smaller than American ones, with 2 beds meant to sleep one person each. Combined with the nature of PCC's international tours, where the travel group stays together, it may be possible to have 2 adults a PCC singer, or 1 adult and 2 children in triple occupancy. Such circumstances need to be communicated prior to registration and are subject to approval by PCC staff, along with availability communicated by Perform International.

SINGER-FIRST POLICY

This tour is an official activity of the Pensacola Children's Chorus. Therefore, **singers must remain with the PCC group and on PCC's itinerary at all times**. As such, tagalongs and groupies *may not* interfere in the tour by removing singers from the assigned itinerary at any point. If you desire to experience this tour round-the-clock with your child, please apply to be a chaperone with the understanding that invitation is not guaranteed. If you choose to enroll as a tagalong, you do so with the understanding that your child is required to adhere to PCC's itinerary and may not be removed from their chaperone group or assigned room without express permission from trip leaders.

TOUR FUNDRAISING

ELIGIBILITY

Trip participants who are enrolled as a member of PCC's Resident Choir Program are eligible to participate in tour fundraising. Fundraising monies may not be applied to chaperone or tagalong accounts, nor do they carry from season-to-season.

APPLYING RAISED FUNDS

Raised funds are issued as a credit toward the final balance of the trip, which is due on April 1, 2027. In the event a child raises funds above and beyond the final cost of the trip, or if through on-time payments and fundraising the combined total through payments/fundraising has exceeded the final cost of the trip, a refund will be issued at the earliest opportunity. Funds will not be applied to invoices dated April 1, 2027 or earlier, nor can they be applied toward any accrued late fees or any other purpose.

TRIP UNENROLLMENT

If a singer unenrolls from the trip for any reason and has successfully raised funds through a PCC-operated fundraiser, no credit or refund will be issued. Instead, funds will be forfeited and deposited into a developing tour scholarship fund.

The following fundraising calendar is in the planning stages, and more concrete details will be announced as they are available.
