## About the Pensacola Children's Chorus

The Pensacola Children's Chorus (PCC) is a non-profit, community-based arts education program which uses music and performance to inspire and nurture a new generation of young leaders. Serving over 300 young musicians from over 60 schools across Northwest Florida and Southwest Alabama, PCC uses music education to provide opportunities for personal growth, friendship, and community service. Formally established in 1990 as a program of the Pensacola Symphony, the now-independent organization continues to pursue diversity of talent, repertoire, and performance to enhance and enliven the cultural fabric of our community. To fulfill its role as the preeminent regional youth music education program, PCC presents a full season of outreach, educational programs, and performances each year for thousands of children, youth, and adults.
