Playbill Advertisements

There's never been a better time to advertise your business with the Pensacola Children's Chorus (PCC). Not only will you reach an annual audience of nearly 50,000, your dollars will directly benefit the life-changing musical programs that PCC provides to nearly 1,000 young people each year. When you advertise with PCC, you'll have the choice of 4 different sizes of advertising. Our design team will happily work with you to craft an appealing visual, or you are welcome to submit your own design. An optional social media package is also available to reach our online Facebook audience of over 4,000 families in Northwest Florida.
