

Sing *in the* Summer

Summer Festival (July 29–August 3)

Song and dance combine seamlessly in this dynamic and beloved summer tradition. Making its triumphant return, Summer Festival features a one-of-a-kind fusion of choral performance, movement, and music education in a jam-packed, high-energy, fun-filled week. Catered toward young people in grades 1–8, this experience is the best way to wade into all that the Pensacola Children's Chorus has to offer. For new and returning singers alike, this music-filled camp experience culminates in a dynamic performance for friends and family to enjoy. Performances on July 31 in the afternoon and August 1 in the morning.

Throughout the week, singers will engage in a wide variety of musical experiences, including large group choral singing, movement/dance, small group voice class, general music, world music, and music theory. Combined, these classes will provide a fast-paced immersion into the unique philosophy of the Pensacola Children's Chorus—one that combines music and movement to bring out the best in each child and prepare them for future success.
