

November 26th, 2024

Dear Colleagues in Education:

We are writing to you in regards to _____, who is a member of the Pensacola Children's Chorus (PCC), to inform you of an exciting opportunity that has been extended to them on Thursday, December 12th.

As we have done every year for the past 30 years, PCC will be putting on a live performance of *Christmas on the Coast* for an audience of ECSD 3rd graders at the Saenger Theatre during the school day on December 12th. There are always many children in the audience for whom this is their first time attending a live musical performance, which can be a transformative experience. For many young people, such performances serve as the initial catalyst that inspires them to explore the performing arts themselves. We are proud to annually offer our members this chance to be part of something that always leaves a lasting impact on the younger children in our community.

Our choirs will perform twice during the day: once in the morning for ECSD 3rd graders, and then again in the afternoon for homeschool families. Therefore, we humbly request that you excuse the absence of the student named above so that they can participate in this traditional yearly event. PCC is a strong supporter of our singers' academics, and we only request this excusal because of the important nature of these performances.

Please feel free to contact us with any questions.

Thank you for your support,

Alex Gartner
