

Sing *in the* Summer

JUMPSTART (Mondays in June/July)

Level up your vocal musical skills with *Jumpstart*! During weekly meetings, participants will work with PCC's musicianship instructor Isabelle Schrack to improve their technique and advance their music reading skills. *Jumpstart* is perfect for the singer who wishes to grow as a musician or those who want to get a "leg up" in advance of PCC's fall rehearsals!

Each day that *Jumpstart* meets, participants will be guided through ear training and sight-reading exercises that are tailored specifically for them. Throughout the process, they will receive individualized instruction and feedback that will set them up for future success. On the final day of camp, with their new and improved musicianship skills, returning PCC members will have the opportunity to re-do their spring progress checks if they so choose, and newcomers will be invited to audition for PCC's Resident Choir Program!
